

Z-Band Fun and Z-Band Splash Wristband Solutions

ENABLE CASHLESS POINT OF SALE AND ACCESS MANAGEMENT USING PRINT-ON-DEMAND BAR CODED AMUSEMENT PARK AND ATTRACTION WRISTBANDS.

Using a Zebra® bar code printer and direct thermal Z-Band® Fun or Z-Band Splash wristbands, amusement parks can:

- Reduce ticket fraud — and the revenue losses associated with counterfeits and theft.
- Z-Band wristbands are blank and don't have value until they're printed on demand.
- They can be printed with the guest's name for access verification.
- They're tamper-evident and nontransferable, and include everything paid for on one wristband.

Improve transaction speeds. Employees simply scan a bar code instead of exchanging cash and working cash registers.

Enhance each guest's experience. Guests enjoy increased convenience and can be rewarded with special offers and benefits.

Enjoy lower total cost of ownership compared to RFID wristbanding. While bar coded Z-Band Fun and Z-Band Splash offer cashless payment and patron data capture benefits similar to RFID, the bar coded bands cost significantly less.

- Theme parks
- Water parks
